O.P.No.14168 of 2002

Dated this the 8th day of March, 2007

JUDGMENT

Petitioners are residing near the Navodaya School. Prayer in the O.P. is for direction to the respondents to permit petitioners to use the road passing through the school compound. It is seen that the District Collector permitted this arrangement until a ring road is constructed around the school campus. Of course, petitioners should be permitted to walk through the school road cutting through the school compound until alternate road is available. Counsel for the petitioner also stated that no ring road is constructed till now either by the fourth respondent or by the first respondent Panchayath. In the circumstances, O.P. is disposed of with a direction to the first respondent to construct and maintain a ring road fit for use by the public, so that they do not use the school road causing inconvenience to the functioning of the school.

The O.P. is disposed of as above.
